Measure Forums - October 13, 20, 22

2 ballot measures regarding the Curry Health District are on the ballot asking residents inside (Measure 8-83) and outside (Measure 8-84) the District whether south county should be annexed to the district.

The LWVCC will be holding 3 educational forums

regarding the ballot measures. Since no formal PAC has filed opposing the measure and Curry Health Network CEO Virginia Razo cannot advocate or oppose the measures she has agreed to speak at LWVCC Public Forums in all three cities presenting only the facts.

There will be time allotted for questions to clarify what the ballot measure entails. Questions regarding taxes, services with and without the district expansion, ambulance transport and Board representation will be addressed. Be informed!

November Consensus

Constitutional Amendment

The Constitutional Amendment (CA) Study Guide is now available for Leagues. The Guide includes the Consensus Questions as well as Pro and Con

Initial materials for the Constitutional Amendment Study are posted and available for members at http://forum.lwv.org/category/member-resources/ourwork/constitutional-amendment-study.

Arguments, background materials and Points of View. In addition to the Study Guide, brief synopses of two articles by the committee on viewpoints on amending the Constitution espoused by Professors Kathleen Sullivan and Adrian Vermeule are also online. Additional information can be found on the CA Study Page. Our local League will discuss the *Constitutional Amendment* process at Unit meetings in November so volunteers are needed to read the material cited above and help to lead the discussion. To volunteer email: labontelucie2@gmail.com

<mark>Holiday Fashion Show Fundraiser</mark>

October 25 - IPM Event Center/ Fairgrounds Showcase Building In order to continue to hold candidate forums and other public information events we need member and public support of our 2 fundraisers, per year. 10 fabulous models and a talented entertainer, Eddy McManus are lining up a great show. This will be a lot of fun and if you cannot attend treat a friend or two. Tickets are on sale at The Chic

Boutique, The Pink Flamingo in Gold Beach and from your Board members.
Businesses are contributing silent auction items. \$20 covers great hors d'oeuvres (come with your appetite), and entertainment. A wine bar is available. A big thank you to the Chic Boutique and Pink Flamingo for providing fashions.

President's Notes by Lucie La Bonté

Dear Members and Friends:

As the fall election season approaches I hope that voters will turn out and make their voices heard during this important election. There are 3 local ballot measures, two regarding the Curry Health District Expansion (one for district members, 8-83 and one for the south county, 8-84) and one regarding a Countywide Transit/Lodging Tax Measure 8-85. The LWVCC will be holding forums regarding the Health District Expansion during our regular Unit Meeting times (see calendar Page 5). We hope members and the public will turn out to get the facts. As with every election we need to be informed to what is being proposed and how citizens will be effected if the measures pass or fail. The LWVUS has a position of Health Care.

LWVUS Statement of Position Goal:
The League of Women Voters of the United States believes that a basic level of quality health care at an affordable cost should be available to all U.S. residents. Other U.S. health care policy goals should include

the equable distribution of services, efficient and economical delivery of care, advancement of medical research and technology, a reasonable total national expenditure level for health care.

Also in October is our main fundraiser for the year The Holiday Fashion Show. This will include entertainment and lunch like hors d'oeuvres. Members need to come and support this event. Please buy a ticket and bring a friend.

I continue to work on my goal to increase membership. We lost a few of our older friends but have gained 4 members in the past couple of weeks. We now have 8 men as members which is a record for LWVCC. We hope you encourage your spouse to join.

Your Board has been hard at work on all our events and we hope that you make the effort to come to monthly meetings and our fun events. Turn out was low at the September Unit Meetings but the speakers were fantastic and I know I learned a lot about our water systems in the county. Members who attended were impressed with the information presented.

Lucie

Making Democracy Work

The League of Women Voters®, a nonpartisan political organization, encourages informed and active participation in government, works to increase understanding of major public policy issues, and influences public policy through education and advocacy.

September Unit Meetings Report - Water

City Manager Terrie Richards

17 people attending the Port Orford Unit Meeting learned about the City's water supply and system. City Manager Terrie Richards and Public Works Director Duane Eckhoff explained where water sources are, how dams and piping function and about meter replacement. Water loss because of old faulty meters is a problem. Although the city has budgeted replacing meters each year, the City would like to obtain grants to replace all the meters, change the filtration system and replace water lines. Additional water sources are being looked at and leaks are a problem. The city is asking for input from water users.

Gold Beach Unit Members had a different kind of presentation. Nesika-Ophir Water District Manager Mike Meszaros gave a slide presentation showing the water source, the Rogue River.

The District's well is encased and can withstand floods. This little district supplies water to a big area. Even though Mike believes they have a large water supply the district is looking at alternate water sources for the future. The rating system is based on use to encourage conservation.

The City of Gold Beach's Public Works Director Will Newdall discussed the city's well in the aquifer under the river. The City also finds old meters to be a problem with leakage. They also have good supply but are looking at improving their rating system to promote conservation.

Great Schools Project

LWVOR is in a partnership to spearhead the *Great Schools*, *Great Communities Project* to work on the funding crisis in education in Oregon. A forum has been developed to present to small groups around the state. Look for information in future editions of *Coastlines* regarding where and when your League will host a forum.

Hard Rock Mining Updates

A large crowd attended a BLM sponsored meeting on a proposed 5-year mineral withdrawal in Southwest Oregon Watersheds. An overwhelming majority were in favor of the proposal. If it went in effect this would give time for our US Senators and Congressman DeFazio to enact a 20-year ban. For more information go to:

http://kalmiopsisrivers.org

Hard Rock Mining Study: The first meeting was held and the timeline was approved. Resource Committee Chair person is under consideration. Alyssa is emailing those spearheading different research areas. Next meeting: October 30 in Eugene. For more information regarding study or meetings contact: lyssa.kate@gmail.com

Curry County Measure 8-85

Question: Shall Curry County be authorized to collect a transient lodging tax throughout Curry County except in the Cities? This measure would implement Curry County No. 15-05 imposing a 6% tax on lodging guests at hotels, motels, inns, bed and breakfasts, condos, RV Parks, campgrounds, vacation rentals and other similar transient lodging facilities for stays less than 30 days.

Curry Health District Measure 8-83

(Current Members)

Curry Health District Measure 8-84 (South County Residents Outside District)

Same Ouestion

Question: Shall territory be annexed into the Curry Health District with \$0.7425/\$1000 tax rate limit beginning fiscal year 2016-2017?

The annexation requires approval by a majority of voters in both the current district and in the annexed territory.

I have been a member of the League of Women Voters since 1992, when I met the president of the Fresno, CA, League while at a phone bank for HCFA-CA; I told her I had always admired the work the League does, especially voter education. I was surprised the League was not "by invitation only," and when she suggested I join, I was delighted to do so. As I learned more about the League I was also impressed with the well-researched policy positions and long term thinking displayed by the League. Although I am a proud and passionate liberal progressive, I strongly believe the non-partisan approach to issues taken by the LWV is essential to good government and fosters bipartisan solutions to problems.

I am 65 years old and recently retired from Pelican Bay State Prison,, where I worked as a psychologist. My husband, a retired attorney/mediator, moved here with me about three years ago from Fresno, CA. We have a daughter who lives with her husband and three daughters in Fresno and an unmarried son who lives in Bakersfield. My favorite hobbies are listening to classical music, playing the flute (very much an amateur in every sense of the word), reading both history and fiction, walking on the beach and going to the gym, and travel. We plan to stay in Brookings for the foreseeable future and greatly enjoy the beauty which surrounds us.

Welcome New Members and Old Friends by Lucie La Bonté

Our membership is growing and we have some great potential members. Membership is important and with the LWVOR Mining Study, interesting forum topics and fun events we are gaining more interest. Elections will be coming up and the LWVCC is an important part of the process. Just "asking" I have found people want to be a part of league.

I ran into Mark Curran. Director of the Curry County Animal Shelter and he was eager to help with membership of the league. "I will have a new member for you within 24 hours." Not only did his wife Linda Denesiuk join but Mark joined as well. At the Port Orford Unit Meeting all I had to do is ask Nella Abbot to rejoin and she wrote a check. Nella was one of our first Port Orford members. Welcome back! Then at the Gold Beach Unit Meeting Charlene Enoch made a pitch and signed up new resident Anne Morgan! In Brookings we welcome Dennis Triglia and former member Judy Kaplan. Phil Dickson and Elizabeth Lortscher both from Gold Beach joined at the Annual Meeting. We are excited to have you as members. Welcome!

National Voter Registration Day

LWVCC members took part in National Voter Registration Day on September 22nd. 8 new voters were registered, voters changed their addresses and I changed parties. 22 registration forms were taken home! Thank you Lauren Spector, Lisa Harrison, Charlene Enoch and Charlie Alexander for organizing this event and Sherrylee Felger for reporting. (Pictured to the left are members Marjorie Bromser and Penny Suess at the table in Port Orford)

Spring Candidate Forums

by Charlie Alexander

We are in the process of scheduling Forums for the week of April 17th. Several have volunteered, and we are always looking for more, to help set up and run the forums and I will be contacting you after the first of the year to get ourselves organized.
